

APPENDIX A

- Ergonomics for Beginners  
Ergonomics in Computerized Offices  
Ergonomics: Advanced Methods  
5 The Ergonomics of Working Postures  
The Ergonomics of Workspaces and Machines  
Fitting the Task to the Human  
A Handbook of Work and Organizational Psychology  
Handbook of Control Design and Ergonomics  
10 Handbook of Human Factors and Ergonomic  
Handbook of Human-Computer Interaction  
Handbook of Manual Materials Handling  
Human Factors and Speech Technology  
Human Factors in Air Traffic Control  
Human Factors in Consumer Products  
Human Factors in Nuclear Safety  
Human Factors in Product Design  
The Human Factors of Alarm Design  
Risk  
20 Risk Analysis for Process Plant, Pipelines and Transport  
Risk Analysis in Project Management  
Risk and Misfortune  
Risk Management  
Usability Evaluation by Questionnaire  
Usability Evaluation in Industry  
25 Work and Aging  
Work and Health  
Work and Technology  
Work Designs in Practice

Work Fitness  
Work Rules  
Work-Related Musculoskeletal Disorders

5
